

# Erudiva Fine Dress Leather

## Collezione Primavera Estate 2016

### OUR STORY

The brand **Erudiva** was born in 2014 by a strong passion for everything related to clothing crafts. Creativity, commitment in the study and refinement of fine leather and love for fashion: you'll find all that is in the Erudiva collections. The brand's philosophy is to design and produce leather garments, creating a sophisticated and refined style that combines trend and tailoring. Unique items made in Italy, all hand made. Models of excellent workmanship and suitable for the everyday life of women wearing a Class A product, and cut on the lines of your body.
